

SEEDS OF CHANGE

Non Formal Education Tools for Sustainable Consumption

PROJECT DESCRIPTION

METHODOLOGY:

The whole project will be based on non formal education - NFE methodologies. It will be proposed a learning by doing approach, where each activity is based on specific learning objectives in order to better target the educational action and to ensure a coherent learning process of individuals and groups.

AIM:

To develop tools and working methods, among youth workers, educators and group leaders, to promote sustainability through responsible food consumption and waste production.

TOPICS:

▶ **Active citizenship and inclusion**

▶ **Food life cycle**

▶ **Responsible consumption**

<p>4th -11th of May 2023 (3rd arrival day- 12th departure day)</p>	<p>YOUTH EXCHANGE</p> <ul style="list-style-type: none"> to promote exchange, understanding and intercultural learning through sustainable and environmental friendly actions to raise youth awareness on food and waste production 	<ul style="list-style-type: none"> young people (aged between 18-25) interested in the topic and 1 group leader (previously involved in the TC and APV). <i>Note: It is encouraged the participation of young people with different abilities or coming from backgrounds with fewer opportunities with an accompanying person.</i> 	<p>Italy, La Buona Terra - Passignano sul Trasimeno (PG)</p>

* Due to the particular instability of this period, related to the COVID19 pandemics and the different policies applied in each country, the dates and venue of the actions might change. Some of the activities might also be translated online.

GENERAL REMARK CONCERNING TRAVEL COSTS AND REFUNDS

The **travel distance** (included in the budget shown on the right side) is calculated **according to the main office location of partner organizations**.

Travel Distance calculator of the EACEA:

<https://erasmus-plus.ec.europa.eu/resources-and-tools/distance-calculator>

Moreover participants, informing the organizations in advance, will have the chance to opt for the green travel using more sustainable and eco-friendly means of transport (train, buses and carpooling).

The participants will be refunded after the end of the action of project (training course, youth exchange, etc), upon the presentation of the travel documents.

The refund process can take around 4-6 months and it will be done directly to the sending organizations bank account, not to the participants bank accounts.

HOW TO PARTICIPATE

For sending your expression of interest on the activities of the project you can contact your country partner organization, which will provide you with all the necessary documents to fill in, within the

16 September 2022
