ABOUT CONCORDIA

Concordia is a French organisation of non-formal education which promotes intercultural exchanges. Our traditional activity are the international work camps, and one of their main goals is to allow participants to get open-minded and develop non-formal skills as autonomy and self-confidence, by meeting and living for a few weeks with people from all over the world with different cultural and social background.

The Bretagne delegation of Concordia, based in Rennes, is coordinating the organisation of this Training Course, in partnership with Echologia.

For more information please visit our website : www.concordia.fr

PROFILE OF PARTICIPANTS

We are looking for 4 participants with this profile:

- Youth workers at least 18 years old with a previous experience in leadership and team building
- Motivation and interest to lead a workcamp in an intercultural context
- Good knowledge of English language is required to participate

TOPIC AND METHODOLOGY OF THE TRAINING

The Training course aims to equip future facilitators with non formal education tools, in order to apprehend how to manage a group in an intercultural context.

The methodology (non-formal education, meetings with professionals, discussions) and the structure of the project will encourage an active involvement of each participant in order to develop competences and new tools for personal and social development.

Non-formal education tools will be used to create a friendly and caring atmosphere, considering each participant in his or her diversity, personality and culture, so that each person can feel free to express him(her)self, share his or her experiences, teach and learn from the others.

OBJECTIVES OF THE PROJECT

The activities of this training course will expect to lead participants to :

- Learn about the Concordia association, its values and its educational project
- Understanding and integrating the role and responsibilities of international workcamp leaders
- Acquire group facilitation methods in an intercultural context
- Learn about group dynamics and conflict management
- Knowing how to set up a project and manage relationships between the different stakeholders (international volunteers, local population, Concordia regional delegations, territorial partners, etc.)
- Mastering the tools necessary for managing a workcamp (accounting, legislation)
- Participate in a half day of workcamp to learn about security on the worksite

Participants will have the opportunity to work in small groups on concrete problems and dynamics
